Founded in 1947, Tai Hua has grown from a local name to become one of Asia's top brands today. Our traditional-flavoured naturally brewed soy sauces and braising sauces, made from premium natural ingredients, have been well-received not only in Singapore, but also in the global markets.

In line with our commitment towards customer satisfaction, Tai Hua continues to produce high quality and safe products. Our efforts in ensuring the highest standards in quality, food safety and hygiene in our products have been recognized with the ISO 9001, ISO 22000, HACCP, FSSC 22000 and AVA Grade 'A' status certifications.

Our extensive market acceptance has been reflected in our products being sold in over 40 countries in the world and ranked among Asia's Top 1000 brands. In addition to the numerous awards won by the company, we are appointed IE Singapore's Tasty Singapore Brand Ambassador as well as being awarded AVA's Food Safety Partner status since 2006.

Our achievements, along with your unfailing support, shall inspire us to strive for even higher standards in all Tai Hua products.
